Ascertainment Tracking Checklist – visit 24
10/01/98a – paper form version
10/01/03 – Apollo version
04/01/06 – QxQs version

1. Add two new codes to range for variable ECODAT (disease code):
   a. 600 – self-reported hysterectomy
   b. 610 – self-reported liver biopsy
2. Add instructions to QxQs for how to complete Apollo ATC Report when event reported is hysterectomy or liver biopsy.
