

**Ascertainment Tracking Checklist (ATC)**  
**ACSR Ascertainment Tracking Checklist (ACSR ATC)**  
**Versions: Form 10/01/07g; QxQs 10/01/07c**

1. ATC Question A10, checklist: Add new checkbox for “lung cancer.”
2. ATC Question A10, checklist: Remove all items from checklist that are no longer ascertained (e.g., non-cancer or TB AIDS-defining events). Leave on checklist only those diagnoses that are still ascertained.
3. ACSR ATC Question A10: Add “liver biopsy” to checklist.
