

Antiretroviral Medication Use (DRUG1)
Version: 10/01/05e

1. Add note to QxQs: *“If a participant takes a particular medication only once per week, or on a one-week-on one-week-off schedule, and is currently taking the medication even though she has not taken it in the past three days, please code on this form as if she has taken it in the past three days.”*
2. Question #3: Revise QxQ instructions to clarify coding for this question.
