

F07 – visit 22
Version 10/01/04a

1. Delete prompt after question A3: “If participant is currently pregnant, or has been pregnant since her last study visit, please attempt to enroll the participant into the pregnancy protocol.” Women will be enrolled into the pregnancy protocol only after delivery of a live or stillbirth.
2. On 10/01/04 version, question A5 was mislabeled as question A4. English and Spanish versions of form were corrected in version 10/01/04a.
