

F07 Physical Exam – visit 24
10/01/05 –form version (English and Spanish)
10/01/05a – QxQs version

1. No changes were made to the paper form so the version number has not changed.
2. The range for questions A7 – A11 was changed from (001.0 – 151.0) to (001.0 – 180.0, 999) to reflect the fact that all sites will use 180-cm Gulick measuring tapes beginning with visit 24. The QxQs were revised to reflect this change.
3. Add instructions to the QxQs regarding what to do if a body measure is above the measurable limits of the measuring tape (i.e., > 180). In these cases, “999” should be entered into the field for that body measure.
