

Follow-up Physical Exam (F07)
Version: 10/1/08

1. Revise Prompt before Question A22, BIA measurement: *“Take two measures. Enter the resistance (Rx) and reactance (Xc) for each one. Enter “-7” if participant refuses, and “-9” if value is missing for another reason, e.g., equipment failure, etc.”*
2. Delete *“can’t obtain”* fields from Questions A22 and A23.
