

**F08 – Visit 21 Changes**  
**Version 10/1/04**

1. Perform rectal exam once per year only, at even-numbered visits. Add question A17a, “even-numbered visit?” If yes, perform rectal exam and record results in question A17c (new question). If no, skip to question A18.
2. Add new skip pattern to question A17b (old A17). If rectal exam not done or declined, skip to question A18.
3. Add new question A17c, results of rectal exam. If exam is abnormal, participant should be referred as appropriate to medical provider.
