

Follow-up Health History (F22HX)
Version: 10/1/08

1. Delete Question C31b: *“Have you had... UTI, a urinary tract infection or an infection in your bladder or kidneys that required antibiotics?”*
2. Add Question C32: *“Since your (MONTH) study visit, has a health care provider told you that you had broken or fractured any of your bone(s)? This could include your spine, hip, arm, or any other bone.”* A “NO” response will allow participant to skip Question C33.
3. Delete Question C36b: *“Which of the following best describes your impression of how well hepatitis C treatment works?”*
4. Delete Question C37: *“Have you been referred to a special provider or clinic for patients with hepatitis C since your (MONTH) study visit?”*
5. Delete Question C37a: *“Have you gone to a special provider or clinic for patients with hepatitis C since your (MONTH) study visit?”*
6. Delete Question C38d: *“Why did you choose not to have the biopsy?”*
