

Follow-up Health History (F22HX)
Version: 10/01/09

1. Add new question C32a: “*Did your biological mother or father ever fracture his/her hip?*”
2. Add new question C32b: “*Since your (MONTH) study visit, has a healthcare provider told you that you had low bone mineral density or osteopenia or osteoporosis?*”
3. Renumber old question C32 to C32c.
4. Add specify field, question C33d1, for completion when participant responds that she fractured “*any other bone,*” in question C33d.
5. Add new question E22e: “*Since your (MONTH) study visit, have you had a biopsy? ... Where in your body? ... Was it a uterine or endometrial biopsy?*”
