

Follow-up Health History (F22HX)
Version: 10/01/11

1. Question C31: Clarify in the QxQs that diagnoses listed in this question do not need to have been newly diagnosed since the participant's last visit. Also, the participant need not have been told SLV by a physician that she has these conditions in order to respond YES.
2. Delete Questions E22, E22a, and E22b (re: *first positive HIV test*).
