

**F22 MED – visit 24**  
**Version 04/01/06**

1. Question B2: Add prompt to the bottom of page 2 (second from bottom) with instructions to review the participant’s Visit Control Sheet for ARV data from her last visit. If discrepancies are found, amend the response to question B2 to include the drug or drugs now remembered and proceed as usual with the rest of the interview.
2. A series of flu questions were added at this visit. The flu questions are E2 through E7 on this form.
  - E2: Since your (MONTH) study visit, have you had a routine flu vaccine?
    - a: Which did you have?
    - b: When did you receive the flu vaccine?
  - E3: Since your (MONTH) study visit, have you had a vaccine for bird flu?
    - a: When did you receive the bird flu vaccine?
  - E4: Did you receive a prescription medication from your provider to prevent getting flu, or to treat flu since your (MONTH) study visit?
    - a: Did you receive Tamiflu?
    - b: Did you receive Relenza?
    - c: Did you receive amantadine or rimantadine?
  - E5: Since your (MONTH) study visit, did you have an illness that you think was the “flu”?
    - a: How many times did you have flu since your (MONTH) study visit?
    - b: When did you have flu?
    - c: When you had flu in [MONTH/YEAR], were you told by a doctor or other health practitioner that you had flu?
    - d: Were you admitted to a hospital to treat your flu when you had it in [MONTH/YEAR]?
  - E6: Did you have any of the following symptoms when you had flu in [MONTH/YEAR]?
    - a: fever
    - b: cough
    - c: sore throat
    - d: muscle aches
    - e: nausea, vomiting or diarrhea
    - f: headache
  - E7: When you had flu in [MONTH/YEAR], how many days were you not able to do your usual activities or how many days of work did you miss?
3. Old questions E2 through E10 were renumbered as E10a through E10h.
4. The skip patterns in E8 were fixed to direct the interviewer to “E10a” instead of “E2.”
5. Question E11 was fixed to record number of medications reported from questions “E10a through E10h” instead of “E2 through E10.”
