

WIHS Form 22 MED: Medication History
Version: 04/01/09

The purpose of the F22 MED is to gather information on the medication usage, medication adherence, and vaccination information for the participant. Changes to this form include:

1. Add parentheses around, “*A vaccine against HIV can include vaccines, which prevent infection with HIV, or therapeutic vaccines (those which prevent progress of the infection)?*” in Question B1.
2. Add new prompt after Question B2, “*PROMPT: REVIEW QXQs FOR INSTRUCTIONS ON HOW TO COLLECT ARV DATA.*”
3. Delete entire sentence, “*GO THROUGH THE CARDS WITH THE PARTICIPANT...*” after PROMPT, “*HAND PARTICIPANT ANTIRETROVIRAL PHOTO MEDICATION CARD.*” in Question B2.
4. Delete entire sentence, “*IF PARTICIPANT REPORTS USE OF A DRUG MARKED...*” in Question B2.
5. Delete entire sentence, “*CHECK THE DRUG(S) THE PARTICIPANT HAS TAKEN...*” and “*FOR DRUGS NOT ON THE LIST...*” in Question B2.
6. Delete the entire PROMPT, “*CHECK ARV HISTORY FROM LAST VISIT...*” after Question B2a.
7. Delete the entire PROMPT, “*ASK PARTICIPANT HF SHE TAKES...*” after Question B2a.
8. Add new Question B3, “*FROM VCS AND DSG, HAS PARTICIPANT STARTED...*”
9. Renumber old Question B3 as B3a.
10. Re-letter responses “*a-h*” as “*b-i*” in Question B3, “*Why did you start taking antiretroviral medication(s) now?*”
11. Re-phrase Question B4 as, “*FROM VCS AND DSG, HAS PARTICIPANT CHANGED OR STOPPED ANY...*”
12. Delete entire sentence, “*For the remaining questions, I want you...*” from Question B7a.
13. Delete, “*Here is a list of possible reasons why you may miss taking your medications*” from Question B7b.
14. Delete entire sentences in PROMPT in Question C1, “*READ THE NAME OF EACH MEDICATION ALOUD,*” “*ASK THE PARTICIPANT IF SHE IS TAKING THIS MEDICATION,*” and “*IF SHE ANSWERS...*”
15. Delete entire sentence after PROMPT in Question C1, “*IF PARTICIPANT REPORTS USE OF A DRUG...*”

16. Delete entire PROMPT after Question C1b, “ASK PARTICIPANT IF SHE TAKES [INTERFERON, PEGYLATED INTERFERON]...”
17. Delete entire PROMPT after Question C1c, “ASK PARTICIPANT IF SHE TAKES [FAMVIR, REBETRON]...”
18. Delete entire sentences in PROMPT after Question D1, “READ THE NAME OF EACH MEDICATION ALOUD,” “ASK THE PARTICIPANT IF SHE HAS TAKEN THIS MEDICATION FOR HEPATITIS,” and “IF SHE ANSWERS...”
19. Reword “(MEDICATION) for Hepatitis (B or C)?” in old Question D1a as, “any of the following medications for Hepatitis B or C?”
20. Reword entire phrase in Question E2 as, “In the past year, have you had a routine flu vaccine, either a shot in your arm or FluMist, which is sprayed in the nose? A flu vaccine is usually given in the fall and protects against influenza for the flu season?”
21. Change skip pattern in Question E2 to “E7.”
22. Add new Question E2b, “Which did you have?”
23. Add new Question E2c, “When did you receive the flu vaccine?”
24. Add new introduction and Question in E7, “The word ‘flu’ is used...” and new Question E7b, “When did you have your most serious case of the flu?”
25. Add new Question E8, “Did you have any of the following symptoms when you had the flu?”
26. Add parentheses around “Since your (MONTH) study visit” in Questions E12b-h.
27. Add parentheses around “such as Amiodarone...” in Question E12a.
28. Add parentheses around “such as Lipitor...” in Question E12b.
29. Add “or any oral medications” and delete “Precose, Diabinese, Glucotrol, etc.?” in Question E12c.
30. Add parentheses around “such as Fosamax...” in Question E12d.
31. Add parentheses around “such as Tegretol...” in Question E12e.
32. Add parentheses around “such as Zyprexa...” in Question E12f.
33. Add parentheses around “such as Singulair...” in Question E12h.
