

Medication History (F22MED)
Version: 10/01/10

1. Add new Question B2b: *“Have you tried any other antiretroviral medications, even for a short period of time, since your (MONTH) study visit?”*
2. Add prompt after new Question B2b: *“If B2b=YES, review photo medication cards with participant to determine which additional medications she has used. Report any additional medications above in Question B2a.”*
3. Add new Question B5: *“Since your (MONTH) study visit, have you had a period of one week or more when you were off treatment (PROBE: not taking any of your antiretroviral medications)?”*
4. Add new medication to Question D1a: *“Alinia (nitazoxanide),”* drug code *“711.”* Alinia is an antiprotozoal medication used as an experimental treatment for hepatitis. It is typically used in combination with Ribavirin and Peginterferon alfa-2a.
5. Delete *“prompt for participants who are confused about whether they received the regular and/or H1N1 vaccines.”*
6. Delete Question E2a: *“What was the reason you did not get the regular flu vaccine?”*
7. Delete Question E2d: *“Where did you receive the regular flu vaccine?”*
8. Delete Question E2e: *“What was your primary reason for getting the regular flu vaccine?”*
9. Delete Question E3: *“During the last flu season, did you get the H1N1 flu vaccine?”*
10. Delete Question E3a: *“What was the reason you did not get the H1N1 flu vaccine?”*
11. Delete Question E3b: *“Which type of H1N1 flu vaccine did you have?”*
12. Delete Question E3c: *“When did you receive the H1N1 flu vaccine?”*
13. Delete Question E3d: *“Where did you receive the H1N1 flu vaccine?”*
14. Delete Question E3e: *“What was your primary reason for getting the H1N1 flu vaccine?”*
15. Revise Question E4 to ask: *“In the past year, do you think you had the flu?”*
16. Delete Question E5h: *“When you had the flu, how many days were you not able to do your usual activities or how many days of work did you miss?”*
17. Delete Question E5i: *“Did you go to the emergency room because you had flu symptoms?”*
18. Delete Question E5j: *“Did you talk to a health care provider on the phone or during a clinic visit because you had flu symptoms?”*
19. Delete Question E5k: *“Were you told by a health care provider that you had the flu?”*
20. Delete Question E5l: *“Did the health care provider tell you it was H1N1 flu that made you sick?”*
21. Delete Question E5m: *“Were you admitted to a hospital because you had the flu?”*

22. Delete Question E6: *“From March 2009 to May 2010, were you ever sick with any of the following symptoms?”*
 - a. *“Fever”*
 - b. *“Dry cough”*
 - c. *“Sore throat”*
 - d. *“Muscle or body aches”*
 - e. *“Nausea, vomiting or diarrhea”*
 - f. *“Headache”*
23. Delete Question E6g: *“When you were sick with these symptoms, how many days were you not able to do your usual activities or how many days of work did you miss?”*
24. Delete Question E7: *“Now I am going to ask you about some of your beliefs about the regular flu vaccine and illness...”*
 - a. *“I believe the regular flu shot protects me from getting the flu.”*
 - b. *“I believe the regular flu can cause serious illness.”*
 - c. *“I think I am at high risk for catching the regular flu if I am not vaccinated.”*
 - d. *“I believe the regular flu vaccine can make me ill.”*
 - e. *“I trust the medicine in the regular flu shot.”*
 - f. *“I think the regular flu shot is safe.”*
 - g. *“I am afraid of being stuck by needles during healthcare visits.”*
25. Delete Question E7h: *“During the last flu season, did you have a discussion with a health care provider about receiving the regular flu vaccine?”*
26. Delete Question E7i: *“Do you think your beliefs about the regular flu vaccine changed during the last flu season?”*
27. Delete Question E7i1: *“Which statement best describes your beliefs about the regular flu vaccine at the beginning of the last flu season?”*
28. Delete Question E7i2: *“Which statement best describes your beliefs about the regular flu vaccine at the end of the last flu season?”*
29. Delete Question E8: *“Now I am going to ask you about some of your beliefs about the H1N1 flu vaccine and illness...”*
 - a. *“I believe the H1N1 flu shot protects me from getting the flu.”*
 - b. *“I believe the H1N1 flu can cause serious illness.”*
 - c. *“I think I am at high risk for catching the H1N1 flu if I am not vaccinated.”*
 - d. *“I believe the H1N1 flu vaccine can make me ill.”*
 - e. *“I trust the medicine in the H1N1 flu shot.”*
 - f. *“I think the H1N1 flu shot is safe.”*
30. Delete Question E8g: *“During the last flu season, did you have a discussion with a health care provider about receiving the H1N1 flu vaccine?”*
31. Delete Question E8h: *“Do you think your beliefs about the H1N1 flu vaccine changed during the last flu season?”*
32. Delete Question E8h1: *“Which statement best describes your beliefs about the H1N1 flu vaccine at the beginning of the last flu season?”*
33. Delete Question E8h2: *“Which statement best describes your beliefs about the H1N1 flu vaccine at the end of the last flu season?”*
