

**Obstetric, Gynecological and Contraceptive History (F23)**  
**Versions: English and QxQs 04/01/11a; Spanish 04/01/11b**

1. Add new PROMPT after Question B6: *“If participant reported “ever” having a bilateral oophorectomy (Question B2a=1), then skip to Question B20.”*
2. Revise response option #2 to Question B6a to refer only to *“since last visit”* oophorectomy.
