Obstetric, Gynecological and Contraceptive History (F23)
Version 04/01/11d

1. Question A6: Change question to "date form last administered." In most cases, this will be the date of the last core visit; however, if the last visit was abbreviated, then this date will be the date of the abbreviated visit.
2. Question B6a: Add "**SLV** (B3=1)" after, "PT. REPORTS STERILIZATION."
3. Question B6a: Add new response option for more accurate skip pattern, "PT. REPORTS PRIOR STERILIZATION (B3a=1)." If yes, the interviewer will circle "3" and will skip to Question B13.
4. Question C0: Change wording to add "or for any other reason" to ensure we are obtaining complete contraceptive use data.
5. Prompt after Question C13: Fix wording in skip pattern, "IF QUESTION C0a=2 AND QUESTION C0b=2 (I.E., BOTH C0a AND C0b ARE NO), THEN GO TO QUESTION C14. HOWEVER, IF EITHER QUESTION C0a=1 OR C0b=1, THEN SKIP TO QUESTION C15.
