

F24 – Visit 20 Changes
Version 4/1/04

1. Add new question C16: “We need to be certain that we have correct information about your history of injection drug use, ever in your lifetime. Did you ever, even once, use a needle or syringe after someone else had used it?”
2. Add new question C16a: “How old were you when you last used a needle or syringe after someone else had used it?”
3. Add new question C16b: “How often did you use a needle or syringe after someone else had used it?”
