

Alcohol, Drug Use, and Sexual Behavior (F24BEH)
Version 04/01/13a

1. Question A6: Change question to “date form last administered.” In most cases, this will be the date of the last core visit; however, if the last visit was abbreviated, then this date will be the date of the abbreviated visit.
2. Delete Question B0, “In your lifetime, how many years have you lived in a household with at least one cigarette smoker other than yourself where the person smoked in the house?” This question is being moved to form F20.
3. Question B2c: Shade “yes” response so it is more boldly noted as a referral need.
4. Question C4: Revise wording to say “sniffed, snorted, or smoked cocaine.”
5. Question C4a: Revise wording to say “sniffed, snorted, or smoked cocaine.”
