

**F26 – visit 22**  
**Version 04/01/05**

1. Section D: Delete Section D, questions relating to social support.
  - a. Delete question D1: “At times people may need help with caring for children, getting a ride somewhere or we may need to borrow something. Within the past month did you get this kind of help from family, friends and/or your partner?”
  - b. Delete question D2: “Within the past month, have family, friends, and/or your partner given you comfort and encouragement?”
  - c. Delete question D3: “During the past month, did family, friends, and/or your partner listen and/or try to understand your concerns (worries/troubles)?”
2. Section E: Delete questions relating to health status of children.
  - a. Add prompt below question E1: “For California sites and all participants under 18 years of age read: ‘Thank you very much for your responses; we have completed the interview’ and skip to H4. For all other participants, skip to F1.”
  - b. Delete question E2: “Since your [MONTH] study visit, have any children been born or died; been adopted by you or become your foster children; been placed in foster care; or come into or left your care for some other reason?”
  - c. Delete questions E3 and E3a: “Have you given birth to any children since your [MONTH] study visit?” and “Is this child/these children living with you?”
  - d. Delete question E4: “Did you have any foster, step, adopted or other children come into your care since your [MONTH] study visit?”
  - e. Delete question E5: “Did any children under 18 years of age leave your care since your [MONTH] study visit?”
  - f. Delete question E6: “Since your [MONTH] study visit, have any of your biological children, adopted children, step or foster children died?”
  - g. Delete questions E7 – E9 (a – e each) (sub form F26s1): Age, HIV status, cause of death for children who’ve died since [MONTH] study visit.
  - h. Add prompt below question E10: “For California sites and all participants under 18 years of age read: ‘Thank you very much for your responses; we have completed the interview’ and skip to H4. For all other participants, skip to F1.”
3. Sections F & H: Delete questions regarding relationship of abuser(s).
  - a. Delete old question F2: “I need to ask you who the person or persons were who pressured or forced you to have sexual contact...”
  - b. Add new question F2: “Has it stopped?” If “no,” refer participant to counselor.
  - c. Delete questions F3a – F3m: Relationship of abuser(s).

- d. Delete old question H2: “I need to ask you who the person or persons were who injured you...”
- e. Add new question H2: “Has it stopped?” If “no,” refer participant to counselor.
- f. Delete questions H3a – H3m: Relationship of abuser(s).
