

Blood Specimen Collection Form – New Recruits (F29r)
Version 10/01/12

1. Delete **PROMPT on page 1** regarding how to complete form when two blood draws are necessary for one visit: *“IF BLOOD DRAW OCCURRED AT TWO DIFFERENT TIMES AND/OR DATES FOR THIS VISIT, ...”*
2. Change **heading for Section A:** from *“First Blood Draw”* to *“Blood Draw.”*
3. Add new **Question A2a:** *“Is this participant’s first or second blood draw for this visit?”* Response to this question will become a new primary key for the form, along with WIHSID and VISIT.
4. **Question A8:** Change skip pattern for “no” or “N/A” response. Will now skip to Section C for these responses.
5. Delete old **Question A10:** *“Was blood drawn on a second date for this visit?”*
6. Delete all of old **Section B:** *“Second Blood Draw.”* Second blood draw, if necessary, will now be recorded on a second copy of the form.
