1. Question B17: "I feel that the problems that I am having on the above tasks, if any, are due to..." Add skip pattern for response option "1" (I am not having any problems on the previous tasks) so that participants not having any problems skip to end of form.
2. Question B18: "If you are having more problems than you used to with the above tasks, about when did the problems begin?" Delete response option "1" (I am not having any problems).
