

Pelvic Exam Studies, Colposcopy Results (L14)
Version 10/01/12a

1. Question A28: Clarify on form that only diagnostic biopsies, not those for donation to the ACSR, should be reported in this question. *“TOTAL NUMBER OF DIAGNOSTIC BIOPSIES TAKEN (Include both cervical and non-cervical biopsies that will be reported on L15 forms when pathology reports are available, but do NOT include biopsies taken solely for ACSR).”*
2. Question A28b: Clarify on form that only additional biopsies, taken for ACSR donation, should be reported in this question. *“TOTAL NUMBER OF ADDITIONAL BIOPSIES TAKEN FOR SPECIMEN BANK DONATION ONLY (Includes both cervical and non-cervical biopsies, and include lesion and control tissue biopsies).”*
