

Menopause Symptoms Questionnaire (MEN01)
Version: 10/01/09

1. Delete old question B2a: *“In the past year, what is the most number of periods you have skipped in a row?”*
2. Replace old question B2a with new question: *“In the past six months, at any time have you gone more than two months without menstrual bleeding?”*
3. Revise skip pattern for question C7: At even-numbered visits, Section D (including questions D1, D2 and D3) will be administered only to women undergoing the NC Battery. At odd-numbered visits, questions D2 and D3 will be administered to all women.
