

**MSK Substudy, Functional Performance (PBM)**  
**Version: 10/01/11**

1. Add new Section A: “*Standing Balance Test.*”
2. Add new Section B: “*Functional Reach Test.*”
3. Add new Section C: “*Repeated Chair Stands.*”
4. Move “*Grip Strength*” measurement from old Section B to new Section D.  
Revise order of questions.
5. Move “*4-Meter Walk*” test from old Section A to new Section E. Delete questions regarding use of assistive walk devices and prostheses, as participants who use these devices will be excluded from participating in the MSK Substudy.
6. Add new Section F: “*400-Meter Walk.*”
