

**WIHS PK Form 02: Antiretroviral Medications (PK02)**  
**Version: 04/01/09**

The PK02 form lists all antiretroviral medications the participant has taken since her last core WIHS visit. Changes from the previous form include:

1. Remove “*TMC 125*” from “*Intelence (etravirine, TMC 125)*”
2. Remove “*TMC-114*” from “*Prezista (TMC-114, darunavir)*”
3. Remove gray highlight from “*Sustiva, Viramune, Kaletra, Reyataz, and Viracept*”
4. Remove “*MK 0518*” from “*Isentress (raltegravir, MK 0518)*”
5. Add gray highlight to “*Isentress (raltegravir)*”
6. Remove “(*Sustiva, Viramune, Kaletra, Viracept, Reyataz*)” from instructions at bottom of form
