

**PK05c – Visit 20 Changes**  
**Version 4/1/04**

1. Change question A6 to, “Name of target medication(s) (circle yes or no for each).” Add Sustiva and Reyataz as questions A6d and A6e, respectively.
2. Add “non-Reyataz” to question D1.
3. Add instructions regarding Reyataz to prompt beginning section D.
4. Fix formatting for AM/PM indicator in question D3.
