

**Follow-up Pulmonary Questionnaire (PQ02)**  
**Version: 10/1/08**

The PQ02 is the follow-up form for the PQBL (Baseline Pulmonary Questionnaire). Changes from the baseline to the follow-up form include:

1. Change Question C1 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*used any hand-held spray inhaler for breathing or lung problems?*”
2. Change Question C2 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*used a home nebulizer machine for breathing medications?*”
3. Change Question C3 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*used home oxygen therapy?*”
4. Change Question C4 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*used a CPAP or BiPap machine at night to help your breathing?*”
5. Change Question D1 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had a CAT scan of your lungs or chest?*”
6. Change Question D2 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had a bronchoscopy?*”
7. Change Question D3 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had surgery on your lungs?*”
8. Change Question D4 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had a lung function test?*”
9. Change Question D5 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had to cough up a sample of sputum for testing?*”
10. Change Question D6 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had a study of your breathing done while you were asleep?*”
11. Change Question D7 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*had an echo or echocardiography test?*”
12. Change Question D8 from “*Have you ever...* ” to “*In the past year, have you...* ”  
“*been told by a health care provider that you had any of the following conditions?*”
13. Add Question D8i: “*Bronchiectasis.*”
14. Renumber old Question D8i to D8j.
