

WIHS ID #

B7. METAVIR (BATTS-TSUI) FIBROSIS SCORE (*circle one*)

No fibrosis	0
Portal fibrosis without septa	1
Portal fibrosis with rare septa (periportal fibrosis).....	2
Numerous septa without cirrhosis (septal fibrosis).....	3
Cirrhosis	4
UNINTERPRETABLE	5

B8. ISHAK FIBROSIS SCORE (*circle one*)

No fibrosis	0
Fibrous expansion of some portal areas, with or without short fibrous septa	1
Fibrous expansion of most portal areas, with or without short fibrous septa	2
Fibrous expansion of most portal areas, with occasional portal-to-portal bridging	3
Fibrous expansion of portal areas with marked bridging as well as portal-central	4
Marked bridging with occasional nodules (incomplete cirrhosis).....	5
Cirrhosis, probable or definite	6
UNINTERPRETABLE	7
