

New Recruits Screening Form (SCR)
Versions: 05/22/13; QxQs 05/22/13

1. Update total number of women enrolled to 4,124 in the introduction, *“The WIHS started in 1994, and has enrolled a total of 4,124 women.”*
2. Add *“in the South”* to the introduction, *“We recently decided to enroll additional women into the WIHS to improve our ability to learn about the health of women in the South.”*
3. Discontinue generation of ATC for AIDS-defining events in Questions B5-B25.
4. Delete PROMPT before Question B24, *“IF AN ENROLLED PARTICIPANT RESPONDS “YES” TO ANY OF QUESTIONS B5 THROUGH B26 THAT HAVE BEEN SHADED IN GRAY, COMPLETE AN ATC FOR EACH ILLNESS.”*
5. Revise PROMPT after Question B26bi, *“IF AN ENROLLED PARTICIPANT RESPONDS “YES” TO EITHER OF B26a or B26b, COMPLETE AN ATC FOR EACH ILLNESS.”*
6. In Question D2, change *“past year”* to *“past five years.”*
7. In Question D3, *“past year”* to *“past five years.”*
8. In Question D3a, *“past year”* to *“past five years.”*
9. In Question D3a, if participant reports *“0”* sexual partners in the past five years update skip pattern to, *“D4.”*
10. In Question D3b, *“past year”* to *“past five years.”*
11. In Question D3c, *“past year”* to *“past five years.”*
12. In Question D3d, *“past year”* to *“past five years.”*
13. Add new Question D4, *“In the past five years, has your sex partner injected (skin popped or shot up with a needle) drugs **OR** used crack, cocaine, heroin or methamphetamine?”*
14. Add new Question D5, *“In the past five years, has your sex partner been told by a health care provider (doctor, nurse, midwife, physician’s assistant or nurse practitioner) that he/she had an STD, or sexually transmitted disease, including gonorrhea (GC, the clap), syphilis, chlamydia, PID (pelvic inflammatory disease), herpes in or around his/her genital area, or warts in or around his/her genital area?”*
15. Add new Question D6, *“These next questions are about different types of sexual behavior, and refer only to sex your sex partner may have had with women and men in the past five years. In this case, “sex” includes vaginal sex and anal sex. I understand that these questions are personal and sometimes difficult to respond to, but please remember that no one is judging you on your answers.”*
16. Add new Question D6a, *“How many women and men has your sex partner had sex with, even once, in the past five years?”*
17. In Question D6a, if participants reports *“0”* sex partners, add skip pattern, *“End.”*
18. Add new Question D6b, *“In the past five years, has your sex partner had sex with a woman or a man who he/she knew was HIV-positive?”*
19. Add new Question D6c, *“In the past five years, how many women and men has your sex partner had unprotected sex with?”*

20. Add new Question D6d, *“In the past five years, has your sex partner ever had sex for drugs, money, or shelter?”*
