The Principal Investigator remains Dr. Susan Furth.

Additionally, the expiration date of the Certificate has been extended until August 5, 2013. This will enable the investigators to complete their research.

Please attach this amendment to the original Certificate.

If you determine that the research project will not be completed by the new expiration date, August 5, 2013, it will be necessary to submit a written request for an extension of the Certificate **three months prior to the expiration date**. Any such request must include the justification for

the extension, documentation of the most recent IRB approval, and the expected date for completion of the research project.

Correspondence should be sent to:
