PLEASE READ THE FOLLOWING BOLDED TEXT VERBATIM TO THE CKID TEST RESPONDENT:

“One of our most important goals as health care providers is to make sure we take time to explain instructions about your care in a way that is clear and will not cause any confusion. Today you can help us measure how well we are doing our job, by going through this exercise.

Do you wear glasses? (IF YES...) Please put them on.

This card contains directions you may be given in a healthcare setting. Please read the information in the box and use it to answer the question that I will read to you. If you do not know the answer, please say ‘I don’t know’. I will be handing you a total of four (4) cards which you will read to yourself, and then I will ask you one question about the information you just read. You will have 4 minutes to answer all 4 questions.”

HAND RESPONDENT THE NUMERACY PROMPT CARD (LAMINATED CARD) FOR EACH QUESTION. REMEMBER TO START THE TIMER WHEN THEY BEGIN READING PROMPT 1. INSTRUCT THE RESPONDENT TO SAY *“DONE”* OR *“FINISHED”* WHEN THEY FINISH READING EACH PROMPT.

WHEN THE RESPONDENT INDICATES THAT THEY READ A PROMPT CARD, READ THE QUESTION FOR THAT PROMPT AND RECORD THE RESPONSE VERBATIM IN THE SPACE PROVIDED.

BEGIN EACH NEW QUESTION WITH A NEW PROMPT: **“Have a look at this one”** or **“Here is another direction you might be given.”** The questions for the prompts are listed below. Refrain from asking clarifying questions (i.e., “Are you sure?”).

Reading Comprehension Script

PLEASE READ THE FOLLOWING BOLDED TEXT VERBATIM TO THE CKID TEST RESPONDENT:

“Do you wear glasses? (IF YES...) Please put them on.

I am going to show you some medical instructions that you might see around a hospital. There are words missing in these instructions, like in this example
(HAND PARTICIPANT THE SECTION C EXAMPLE PROMPT CARD).

I want you to fill in the missing words. Just below the blank line, we’ve listed 4 possible words to complete the sentence. Choose the word that makes the most sense. Circle the letter in front of the word you choose.

So, in this example, “Your blood test was blank”, the word “normal” is the only word that can complete the sentence so it makes sense. So, you would circle the letter “a” in front of the word “normal”. Is that clear?

There are four pages, and the page numbers are shown at the bottom of each page.
(TURN TO THE FIRST PAGE OF THE TEST AND SHOW THE PAGE NUMBER).
Be careful not to skip any.

You will have 7 minutes to do this. Please complete as much as you can in that time.

HAND PARTICIPANT THE FOUR PAGES OF THE TEST ATTACHED TO THE FORM.

START A TIMER WHEN THE PARTICIPANT STARTS THE TEST. STOP THE TEST AT THE END OF 7 MINUTES AND REMOVE TEST MATERIALS FROM THE PARTICIPANT.

Ready? You can start.”
