**Observational Study Monitoring Board Meeting for the Chronic Kidney Disease in  
Children (CKiD) Study**

**July 14, 2017, 8:30 a.m. – 2:30 p.m.**

**OSMB Members Present:**

F. Bruder Stapleton, M.D. (Chairperson)  
Blanche Chavers, M.D.  
Jami Levine, M.D.  
Aviva Goldberg, M.D., M.A.

**Steering Committee**

Alvaro Muñoz, Ph.D.  
Susan Furth, M.D., Ph.D.  
Mark Mitsnefes, M.D.  
George Schwartz, M.D.  
Bradley Warady, M.D.  
Derek Ng, Ph.D.

**NIH Staff:** Robert Star, M.D., Ziya Kirkali, M.D.

**Guest:** Marva Moxey-Mims, M.D.

The OSMB was very pleased with the study progress and the excellent collaboration. The Board congratulated the investigators on their significant progress in the study, and for their innovation in evaluating new tools to enhance the study. At the conclusion of their meeting, the OSMB motioned and voted unanimously to continue the CKiD study.
