**Observational Study Monitoring Board Meeting for the Chronic Kidney Disease in
Children (CKiD) Study**

October 2, 2019

Present:

Bruder Stapleton, University of Washington, chair
Blanche Chavers, University of Minnesota
Linda Fried, University of Pittsburgh
Marie Gantz, RTI International
Paul Goodyer, McGill University
Rose Gubitosi-Klug, Case Western Reserve University
Aviva Goldberg, University of Manitoba
Jami Levine, Harvard University

Ziya Kirkali, NIDDK
Susan Mendley, NIDDK
Afshin Parsa, NIDDK
Tracy Rankin, NIDDK
Robert Star, NIDDK
Yining Xie, NIDDK

The Steering Committee for the CKiD Study presented an overview of their ongoing activities and plans. The OSMB was pleased with the study progress and asked questions regarding future directions and goals for the next year. The OSMB and NIDDK concurred with continuing the CKiD study.

Prepared by:

A handwritten signature in black ink, appearing to read "Ziya Kirkali", written over a horizontal line.

Ziya Kirkali, M.D.
Division of Kidney, Urologic and Hematologic Diseases

Date: 10-21-19
