To whom it may concern,

The NIDDK appointed Observational Study Monitoring Board (OSMB) for the Chronic Kidney Disease in Children (CKiD) Consortium met on February 29, 2024. After the review of responses from the investigators to the recommendations from the OSMB, this letter affirms that the NIDDK approves the CKiD Study Protocol dated 05.15.2024.

A handwritten signature in black ink, appearing to read "Ziya Kirkali".

Ziya Kirkali, M.D.
Senior Scientific Advisor
Program Official for CKiD Consortium
Division of Kidney, Urologic and Hematologic Diseases
