INTRODUCTION:

I would like to ask you a few additional questions related to the use of prescribed antiretroviral drugs. These questions should last no more than 3 - 5 minutes. Some of the questions may overlap or repeat those you've answered before, but the time frame is different. I am now going to ask about antiretroviral drugs taken during the past **two weeks**. I apologize in advance for any repetition and ask that you bear with me so I may obtain important information.

WIHS ID#:
