

**Arterial Brachial Index Measurement Form (ABI)**  
**Version 04/01/2015**

1. Question A7a-A7f, measurements: Add new subquestions i and ii as below.
  - i. "Is limb circumference too large for largest cuff size?" If response is "yes" measurement will not be taken for that limb.
  - ii. "Cuff size used." Record cuff size for each limb measured.
