

Blood Specimen Collection Form (F29)
Version 10/01/13; QxQs 10/01/13a

1. Delete Question A0d and subsequent prompt: *“Participant in HPV Substudy?”* and *“IF A0d = YES, COLLECT TUBE LABELED FOR “HPV SUBSTUDY,” I.E., TUBE C18.”*
2. Delete Question C18: *“Fresh blood for HPV study.”*
3. Move all footnotes from end of the form to locations appropriate for their specific tubes.
4. QxQs for Questions A6, A7, A8, A9: Remove references to Form F10 (Plasma and Cell Separation and Freezing Form) as it has been discontinued and replaced by the L20 form.
