

**Specimens Collected During the Physical Exam – New Recruits (F31r)**  
**Version 10/01/13**

1. In Question B2, if the response is “yes” change skip to Question B2a.
2. Add new Question B2a, “*Result.*” Please indicate whether the pregnancy test was “*positive,*” “*negative,*” or “*indeterminate.*”
3. Revise prompt after Question C1 to read, “*Circle “N/A” only if participant is HIV-negative or HIV-positive and not reporting antiretroviral medication use in the past six months.*”
